

THE CAREER

Individuals who earn a degree or one of the certificates in Electronics Technology are eligible for entry-level positions in the areas of:

- > Network Administration
- > PC Repair
- > Technical Sales
- > Data Backup Sales and Support
- > Industrial Purchasing
- > Corporate Training
- > Alternative Energy: Solar, Tide & Wind
- > Circuit Troubleshooting
- > Basic Audio-Video Production Technician
- > Home Technology Integration
- > Fiber Optics

CAREER OPTIONS

TCL offers a two-year Associate of Applied Science degree with a major in Industrial Electronics, and certificates in such specialties as A+ Computer Servicing, Computer Networking Technology, and Network Administration. Individuals in this field can realistically expect to earn from \$30,000 in the Beaufort area to \$150,000 nationally.

PROGRAM DESCRIPTION

The Industrial Electronics program has something to offer to the traditional (recent) high school graduate, to those seeking a career change or upgrade, and to the working professional that needs the latest Information Technology certification.

- > There is a strong hands-on component to all TCL Electronics classes.
- > TCL is an academic training partner with the Microsoft.

ADMISSIONS

Applicants interested in the Industrial Electronics Technology program should first complete the college application process. For more information regarding TCL's Industrial Electronics Technology Program contact Everett Feight at 843.525.8296 or by email at efeight@tcl.edu or Tony Brewer at 843.525.8299 or by email at tbrewer@tcl.edu.
