

BCT 242 INSULATIONS

Course Description

This course will address the alternatives available in insulation selection as well as installation techniques. The concepts of heat flow will be discussed. An overview of alternative construction techniques such as Passive Houses will be discussed as well as strategies for adapting the techniques for residential construction in the southeast. 3cr.

Course Focus

This course will focus on the necessary skills need to become a Home Energy Auditor and general weatherization of existing homes and mobile homes. This hands-on class will instruct students to identify the different types of insulations and air sealing techniques. Students will learn Building Performance Institute standards.

Course Goals

The following list of course goals will be addressed in the course. These goals are directly related to the performance objectives. (*designates a CRUCIAL goal):

1. define key terms and concepts
2. understand building science principles
3. maintain blowing machine
4. repair drywall
5. install water heater blankets
6. access and dense pack sidewall
7. install insulation
8. comprehend ventilation codes
9. place heating and cooling equipment
10. recognize insulation materials
11. place combustion appliance vent systems
12. modify ducts
13. read work order
14. modify mechanical ventilation
15. install mechanical ventilation
16. repair broken glass
17. apply foam
18. apply caulk
19. use blower door

20. know minimum ventilation rates
21. select proper materials
22. comprehend knob and tube wiring hazards
23. write legibly
24. use zonal techniques
25. use pressure pans
26. seal around metal pipes
27. seal joists
28. insulate ducts and pipes
29. seal bypasses
30. use basic computer skills
31. know basic math
32. repair heating and cooling equipment
33. demonstrate basic construction knowledge
34. measure weight of insulations
35. operate insulation blowing machines
36. apply glazing compound
37. assess work area safety hazards
38. identify mold conditions
39. maintain OSHA standards
40. demonstrate hand and power tool safety
41. use personal protection equipment
42. select personal protection safety equipment
43. exhibit safe practices
44. place water heater
45. demonstrate basic verbal and communications skills

Student Contributions

The student is expected to be prepared for class and to be in class on time. Cell phones are not allowed to be used in the classroom. This includes texting. All electronic devices including cell phones, pagers, computers, Ipods, Ipads must be turned off during class.

Course Evaluation

The grading scale is as follows:

90 - 100 = A

80 - 89 = B

70 - 79 = C

60 - 69 = D

Below 60 = F

Course Schedule/ Outline

The class meets for 1 lecture/presentation hours per week for a total of 16 weeks during fall or spring semesters. Summer Classes meet for 10 weeks one day a week.

Approved by: *Ken Flick*

Ken Flick, Division Dean for Business/Industrial Division

Developed/Revised: 5/2013

ADA STATEMENT

The Technical College of the Lowcountry provides access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation, contact the counselor for students with disabilities at (843) 525-8228 during the first ten business days of the academic term.

ACADEMIC MISCONDUCT

There is no tolerance at TCL for academic dishonesty and misconduct. The College expects all students to conduct themselves with dignity and to maintain high standards of responsible citizenship.

It is the student's responsibility to address any questions regarding what might constitute academic misconduct to the course instructor for further clarification.

The College adheres to the Student Code for the South Carolina Technical College System. Copies of the Student Code and Grievance Procedure are provided in the *TCL Student Handbook*, the Division Office, and the Learning Resources Center.

ATTENDANCE

The College's statement of policy indicates that students must attend ninety percent of total class hours or they will be in violation of the attendance policy.

- Students not physically attending class during the first ten calendar days from the start of the semester must be dropped from the class for NOT ATTENDING.
- Students taking an online/internet class must sign in **and** communicate with the instructor within the first ten calendar days from the start of the semester to indicate attendance in the class. Students not attending class during the first ten calendar days from the start of the semester must be dropped from the class for NOT ATTENDING.
- Reinstatement requires the signature of the division dean.

In the event it becomes necessary for a student to withdraw from the course OR if a student stops attending class, it is the student's responsibility to initiate and complete the necessary paperwork. Withdrawing from class may have consequences associated with financial aid and time to completion.

When a student exceeds the allowed absences, the student is in violation of the attendance policy. The instructor **MUST** withdraw the student with a grade of "W", "WP", or "WF" depending on the date the student exceeded the allowed absences and the student's progress up to the last date of attendance

or

under extenuating circumstances and at the discretion of the faculty member teaching the class, allow the student to continue in the class and make-up the work. This exception must be documented at the time the allowed absences are exceeded.

Absences are counted from the first day of class. There are no "excused" absences. All absences are counted, regardless of the reason for the absence.

- A student must take the final exam or be excused from the final exam in order to earn a non-withdrawal grade.

A copy of TCL's **STATEMENT OF POLICY NUMBER: 3-1-307 CLASS ATTENDANCE (WITHDRAWAL)** is on file in the Division Office and in the Learning Resources Center.

HAZARDOUS WEATHER

In case weather conditions are so severe that operation of the College may clearly pose a hardship on students and staff traveling to the College, notification of closing will be made through the following radio and television stations: WYKZ 98.7, WGCO 98.3, WGZO 103.1, WFXH 106.1, WWVV 106.9, WLOW 107.9, WGZR 104.9, WFXH 1130 AM, WLVA 101.1, WSOK 1230 AM, WAEV 97.3, WTOG TV, WTGS TV, WJWJ TV, and WSAV TV. Students, faculty and staff are highly encouraged to opt in to the Emergency Text Message Alert System. www.tcl.edu/textalert.asp

Emergency Text Message Alert

Students, faculty and staff are highly encouraged to opt in to the Emergency Text Message Alert System. Participants receive immediate notification of emergency events and weather cancelations via text messaging on their cell phones. Participants can also opt in to receive non-emergency news and announcements. Go to www.tcl.edu. On the homepage, click on “emergency TextAlert at TCL” and fill out the form or go to www.tcl.edu/textalert.asp
