Subject: CAP Application Process for Academic Year 2014-15

---

The SC National Guard has started communication regarding the CAP application process for Academic Year 2014-15. Military members will only have one window to submit their CAP application regardless of whether they are planning to enroll during the fall 2014, spring 2015, or summer 2015 semesters. The CAP application window will open June 1, 2014 and close August 1, 2014. The Guard will not accept CAP applications received outside of this window. CAP will be awarded on a first come/first serve basis. It is critical your students (military members) are aware of this application window so they do not miss the deadline.

The CAP application for academic year 2014-2015 is available at [www.169fw.ang.af.mil](http://www.169fw.ang.af.mil) for SC Air National Guard members and is available at <http://www.facebook.com/pages/SCARNG-ESO/305063140446> for SC Army National Guard Members.

I am requesting your assistance in disseminating this information regarding the CAP application window to your students so they won't miss the opportunity to utilize this education benefit.
