Technical College of the Lowcountry expects that students will participate in all scheduled instructional classes and laboratory periods, regardless of the mode of delivery. Students are expected to be in class on time and attend a minimum of 90% of the total class hours or laboratory periods for each course to be eligible to receive a passing grade. Students are responsible for making up the work missed during any absence. If it becomes necessary to add/drop a course or withdraw from a course(s) or the college, it is the student’s responsibility to complete the college’s approved withdrawal process as specified.

Exceptions to this policy for individual courses and/or on-line courses or programs must be approved by the Vice President for Academic Affairs (VPAA) or designee and must be printed in the course syllabus.
