In order to promote an environment conducive to teaching and learning, it is the policy of the Technical College of the Lowcountry to ensure that children are not left unattended on campus and that classes or services are not disrupted by children. Faculty, staff, and students of the College shall not bring children to work or class even if the children are being watched by someone else while the employee is working or the student is in class. The College cannot assume the responsibility for supervision of children of faculty, staff, or students.

Although the Learning Resources Center is open to the general public, it is available for use by children under age twelve for reading and research only when they are under the direct supervision of a parent or legal guardian.
