

# QEP

Presentation at *Friday Connection*

October 25, 2013

Debby McClellan, QEP  
Leadership Team

# QEP Institutional Outcomes

- Improve student's academic planning skills
- Provide tools to ensure that students complete their program
- Improve our retention rate
- Enhance our advising process
- Strengthen student orientations

# QEP Institutional Outcomes

- In a nutshell, we want to increase:
  - Retention
  - Progression
  - Completion
- How we plan to do so.....

# Improve Academic Planning Skills

- Academic Planning - Setting educational goals and determining the best path to reach those goals
  - QEP activities include initiatives to ensure student use of Academic Evaluations (Degree Audits)
    - Knowing where to find them
    - Correctly interpreting them

# Provide Tools to Ensure Program Completion

- QEP activities include:
  - Developing roadmaps for programs to aid students as they progress through (e.g., proper sequencing, identifying off cycle courses)
  - Reviewing critical pathways to ensure timely program completion
  - Identifying opportunities for course pairing to reduce scheduling conflicts

# Improve our Retention Rate

- QEP activities include:
  - Developing a college wide retention plan
  - Implementing an Electronic Early Alert process

# Enhance our Advising Process

- QEP activities include:
  - Implementing a module based advising training program covering topics such as
    - Advising Skills & Techniques
    - Using Internal Resources & Making Referrals
    - Legal & Ethical Issues in Advising

# Strengthen our Student Orientations

- QEP activities include:
  - Devising strategies to increase attendance at orientation
  - Developing an online orientation
  - Creating tools and resources to assist students in the admission process and make students aware of support services

# Five Years From Now Look For:

- Increased Retention Rate
- Increased Progression Rate
- Increased Completion Rate

Questions?????
