Attendance: Karen Smith, Ashley Faubion, Debralee McClellan, Sharon Beasley

Review the recommendation received from the Professional Development subcommittee on professional development activity for the spring.

It was recommended to contact Camille Myers to obtain figures on TCL's retention rates.

The committee was asked for tips for retaining students.

A professional development workshop will be set up in the Spring 2015 to reveal TCL's data and the factors influencing retention. The committee will include Janice Lyle's input.
