LOTTERY TUITION ASSISTANCE

TCL’S TUITION & FEES TOTAL $4,180 FOR THE YEAR.
WITH LOTTERY TUITION ASSISTANCE
IT’S ONLY $1,900/ YEAR!
JUST $830 PER FULL TIME SEMESTER!* 

*Per 12-hour semester, service area. Contact Financial Aid for full details and eligibility requirements. Based on Spring 2016. Subject to change.
As a new student, contact Enrollment Services to find out if you need to take a Placement Test. You can schedule a placement test by contacting the Testing Center. Although untimed, please allow yourself at least 2 hours to take all 3 parts of the COMPASS test. When you have completed the test, you will be directed to schedule an appointment with your advisor.

The Testing Center check-in area is located in Building 1 on the TCL Beaufort Campus. Testing appointments are required for the TCL New River Campus and the TCL Hampton campus, H. Mungin Center (see below). When planning to take a test, allow enough time to complete the test before the Testing Center closes.

Mail to Enrollment Services, PO Box 1288, Beaufort, SC 29901.

Proof of SC Residency: Should you be selected for residency verification, you will need to provide additional proof by submitting two or more of the following items to be copied in order to receive the in-state tuition rate. You may be selected for verification. If you are unsure, contact the Admissions office. If notified, all supporting and necessary documentation must be submitted prior to the first day of class for the term for which you are seeking in-state status. Notarized copies are accepted as well.

- SC Driver’s License (issued 12 months ago or more)
- SC Vehicle Registration (issued 12 months ago or more)
- State and Federal Tax Return from previous year
- SC Voter’s Registration (must be active)
- High School Transcripts (within the past 12 months; current year graduate)
- Rental/Lease/Mortgage Agreement (previous 12 months)
- Original Military Orders/Web Orders (if applicable)

Now that you’re a part of the TCL family, staying connected and up to date with your financial aid, registration and emails are crucial to successfully navigating college life. See below to learn how to access these great tools.

**WEB ADVISOR**

Use WebAdvisor to register for classes, check your financial aid status and have instant access to where you are in your program of study.

For WebAdvisor: Go to the TCL home page at [www.tcl.edu](http://www.tcl.edu) and click on the WebAdvisor fast link or go directly to webadvisor.tcl.edu.

The first page gives you contact information and video demonstrations of how to perform certain tasks in WebAdvisor. After viewing this page, click on “Continue to WebAdvisor.” Then read the terms, click on “I agree to these terms and wish to continue to WebAdvisor.” You will be taken to the Welcome Page.

On the Welcome Page, click “Log In” and enter your User ID (your first and last name, all lowercase with no space between them) and your Password (your initial Password will be the last seven digits of your SSN). As soon as you log in, you will be advised that your Password has expired and that you must change it. Enter your User ID and the old Password (the last seven digits of your SSN) and then create a new Password that can be six to nine characters long, but must be a combination of numbers and letters. From your personal Welcome Page you can proceed with the tasks you need to perform.

If you encounter problems logging into WebAdvisor or you’ve forgotten your password, please contact the Help Desk at 843-525-8344 or via email at helpdesk@tcl.edu.

If you have any questions about registration policies or procedures, please contact Student Records at 252-8272 or 252-8210.

**BLACKBOARD**

Blackboard is used by many faculty to communicate with students, especially for online classes. You can chat with your classmates, post homework assignments and even take tests. It’s what we call our Learning Management System.

**BLACKBOARD On-line Learning:**

Go to the TCL home page at [www.tcl.edu](http://www.tcl.edu) and click on the Blackboard fast link. The first thing that you will see is the Blackboard login instructions. Scroll down to reach the “TCL Blackboard Log-In Page” link. Your Username is your seven-digit TCL Student ID number including the preceding 0’s. Example: 0012345. Your password is the first letter of your first name followed by the last three digits of your social security number.

Click “Login.” **NOTE:** If you are a new student, you will not be able to access Blackboard until 2-3 days before your classes start.

For online course orientation, visit: [http://libguides.tcl.edu/blackboard](http://libguides.tcl.edu/blackboard)

**Blackboard Support:** Go to the TCL home page and click on the Blackboard fast link. Click on the link “Technical College of the Lowcountry Online Support Center” near the bottom of the page. Here, you can browse helpful guides and material and contact the support team directly — 24 hours a day, 7 days a week! You may chat live with a support team member, submit a ticket with your issue or concern, or call directly, toll-free: 1-877-736-2586. In order to submit a ticket, you must first create an account. When doing so please use your TCL email address and password associated with your Blackboard Account to eliminate confusion.

**STUDENT EMAIL**

This will be one of your lifelines to your instructors, student life and departments on campus, especially financial aid. It’s the only way to securely communicate with TCL offices. Official TCL communication is sent to your TCL Student Email account only!

TCL uses Microsoft Office 365 for student email. Your TCL email account is free and can be used as long as you like, even after you graduate.

To access email go to [https://www.outlook.com/my.tcl.edu](https://www.outlook.com/my.tcl.edu). Your User ID is your first and last name @my.tcl.edu and should be typed as one word: firstnamelastname@my.tcl.edu. The entire User ID is typed in lower case letters with no spaces. For example, the User ID for John Smith is johnsmith@my.tcl.edu. Your initial password is (“TCL” + “the last seven digits of your social security number” + “!”). For example, John Smith has a social security number of 123-45-6789. TCL3456789! is the initial password for John Smith. Click the “Sign in” button.

When you sign in for the first time, you will be asked to change your password. Your new password must be eight or more characters in length including letters, punctuation, symbols, and numbers to create a strong password. When creating your new password, you can check it to find out if it is a weak or strong password. Be sure to create a password that is not in the weak category.

Your Microsoft Office 365 account will give you access to email, a calendar, contacts, and tasks and will enable you to install Office applications on up to 5 PCs or Macs for free. If you experience problems logging in or forget your password, call the Help Desk at (843) 525-8344.

Microsoft also provides a free account called SkyDrive. To sign into SkyDrive go to [https://skydrive.live.com](https://skydrive.live.com). Initially, your User ID and password will be the same as for your TCL email account. SkyDrive provides access to online storage, file sharing, and Microsoft Office applications. Because TCL does not manage your SkyDrive account, you should go to [http://support.microsoft.com/](http://support.microsoft.com/) for support. You can also call the general support line at (800) 642-7676.

To use both products on your personal computer you may need to upgrade your web browser or office application to a more recent version. If you are using Outlook to read your email and you are using Microsoft Office 2003, you will need to upgrade to Outlook 2007 or a later version.

**TEXT ALERT**

With TCL’s Text Alert you can receive emergency notifications and event updates via text messaging on your cell phone.

Everyone is strongly encouraged to register his/her cell phone with TCL’s Text Alert service. Setting it up is easy: just go to [www.tcl.edu/text-alert](http://www.tcl.edu/text-alert). Unlike the other technology offerings at TCL, Text Alert allows you to choose your own username and password.

Note that your enrollment in this service automatically expires on the date shown in the “Opt-out” box — be sure to choose an expiration date after your expected graduation date.

To sign up for a WebAdvisor, TCL Email, and Blackboard workshop offered through the LRC/Library, visit [http://libguides.tcl.edu/workshops](http://libguides.tcl.edu/workshops).
Now that you’ve applied to TCL, make sure you have funding to pay for your books, supplies, tuition and fees.

COMPLETE THE fafsA

The fastest, easiest and most affordable way to fund your education is by completing the FAFSA online. FAFSA stands for the Free Application for Federal Student Aid. When you apply, you’re considered for all federal financial aid such as Pell Grants (FREE MONEY), Student Loans*, and Federal Work Study (helps you get a job on campus). Completing the FAFSA is as easy as 1, 2, 3 and with our professional, courteous staff here to help you the process is even easier.

STEP 1
• Visit: www.fafsa.ed.gov
• Select: “2015-2016 Application” for Fall/Spring

If you are attending in the Summer 2015 Semester and have not already done so, you must complete the 14-15 FAFSA

STEP 2
• Answer ALL the questions truthfully and completed all requested sections
• Enter TCL’s school code: 009910

STEP 3
• Sign the FAFSA using your PIN and click submit
• Check your TCL student email & WebAdvisor Accounts for important updates.

* There is a separate loan certification form, please visit the Financial Aid office for more information.

WHAT YOU NEED TO COMPLETE THE fafsA

If you are a dependent student, make sure you have both you and your parents’ 2013 federal tax returns for the 2014-2015 application and their 2014 taxes for the 2015-2016 application (if you are independent and married, you need your spouse’s info too) as this information is required to complete the FAFSA application. If you’ve previously completed a FAFSA, you’re already two steps into the process and can click “Renewal Application” instead of completing a brand new one from scratch. The other items you need are both you and your parent’s PIN (if applicable). If you don’t have a PIN, go to www.pin.ed.gov and sign up for one. This allows you to electronically sign your application. Now you’re ready to complete the FAFSA!

YOUR fafsA IS DONE, NOW WHAT?

After you submit the FAFSA, it will take approximately 7-10 business days for the TCL Financial Aid Office to receive your information. Once received, we will immediately start contacting you at your TCL Student Email Account to let you know if we were able to award you – this is called your award letter. We may also contact you to let you know we still need things to finish processing your file. For example, we might request copies of you and your parents’ tax return transcripts, W-2s, or a form from our office. Please check your TCL Student Email Account often, or come in and see us in our office! We’re here to help.

Financial Aid also uses WebAdvisor to communicate with you about your financial aid. Check your WebAdvisor account to:
• View your Financial Aid award letter and find out what you’re eligible to receive.
• Check the status of your Financial Aid and find out if you need to supply any documents to complete your file.
• Find out if your awards have posted to your account.
• Find out how much you still owe, if you have money for books, or if you’ll be getting money back.

FINANCIAL AID COVERS...

The main items Financial Aid can cover are tuition, fees, books and supplies. Remember, simply submitting the FAFSA does not guarantee all fees and books are covered. Check with the FA office to learn more about all of your aid options to ensure you receive the maximum benefit. If you are eligible, Lottery Tuition Assistance is automatically applied, this award can only be used to pay tuition and mandatory fees. Though it can vary depending on your program, the majority of financial aid programs require students to be enrolled in and attending half-time (six credit hours). An exception to this can be the Pell grant. If there is money leftover after your aid is applied it will come to you in a check. See the Business Office or Page 8 for information about financial aid disbursement checks.
Satisfactory Academic Progress (SAP) requirements must be met to receive financial aid. SAP is calculated at the end of each semester. It is important that students receiving financial aid understand that they must meet ALL of the below MINIMUM standards in order to receive their financial aid. Contact the Financial Aid Office for full details.

- Maintain a cumulative 2.0 grade point average (GPA).
- Complete 67% of your credit hours or units attempted.
- Complete your degree within 150% time frame (i.e. an associate degree of 60 credit hours must be completed within 90 credit hours.) Once you reach or exceed the 150% you may no longer receive federal financial aid at TCL, this includes Pell, Loans, VA Benefits and other federal grants and Title IV funds.

Financial aid will ONLY pay for the cost of courses within your current program of study. If a course is not listed in your program of study, you will be responsible to pay for the course out of pocket.

If you have excess financial aid funds you can use them to purchase books prior to the start of the term. Please visit the Financial Aid office in person for more information.

Visit the online Financial Aid Help Center at www.tcl.edu/helpcenter to get answers to our frequently asked questions.

Speak with a financial aid representative by calling 843.470.5961 or toll free at 1.855.509.6579, or by coming in person to our office.

Visit Financial Aid TV (FATV) at www.tcl.edu/fatv. This online video service helps provide answers to all things financial aid in short 60-90 second videos. It’s quick and easy to understand.

Visit the TCL Financial Aid web page at www.tcl.edu/financial-aid:

- To learn more about other types of aid we offer such as scholarships, loans, childcare assistance and tuition waivers!
- To find financial aid forms and applications.

DEADLINES
To ensure funds are available before your fees are due, please submit all documents by the following PRIORITY deadline dates:

The Business Office oversees financial aid disbursements. Students who have excess Financial Aid (Pell, FSEOG, Loans) after the bill has been paid will receive a check for leftover funds. Checks are mailed out 30 days after you start classes.

For first-time borrowers, Financial Aid applies the loans 30 days after the semester starts and the Business Office will mail the check within 15 days after that. All disbursements are mailed to the student's address on file and cannot be picked up in person. If you have questions about refunds, please contact the Business Office at 843.525.8355 for full details and exceptions.

## 2016 SPRING TUITION

**Service Area***: $166/credit hour  
**Non-Service Area**: $191/credit hour  
**Out-of-State**: $370/credit hour  

**Non-Refundable Registration Fee**: A registration fee of $50 per semester will be charged to each student.  
**Capital Fee**: A capital fee of $4 per credit hour will be charged to each student.

* A $25 course fee will be applied to certain classes. This fee helps offset the expense of consumables, laboratory equipment, software, and additional instruction. Go to [www.tcl.edu/feespdf](http://www.tcl.edu/feespdf) to view the list.

**NOTE**: Tuition and fees are subject to change after schedule publication.  
* TCL Service area consists of Beaufort, Colleton, Hampton, and Jasper counties.

### HOW TO PAY YOUR BILL

**Pay Online**: To pay your tuition and fees online, log on to your WebAdvisor account.

**Pay In Person**: Please take your completed course schedule and fee statement to the Cashier in Building 3, Beaufort Campus, or to the front desk at the New River and Hampton campuses for payment. You may pay by check, cash, MasterCard, Visa, and American Express. The cashier will give you a receipt.

### WHERE’S MY CHECK?

The Business Office oversees financial aid disbursements. Students who have excess Financial Aid (Pell, FSEOG, Loans) after the bill has been paid will receive a check for leftover funds. Checks are mailed out 30 days after you start classes.

For first-time borrowers, Financial Aid applies the loans 30 days after the semester starts and the Business Office will mail the check within 15 days after that. All disbursements are mailed to the student’s address on file and cannot be picked up in person. If you have questions about refunds, please contact the Business Office at 843.525.8355 for full details and exceptions.

### SENIOR CITIZEN TUITION WAIVER

SC residents 60 years of age or older may qualify to attend free classes for credit or non-credit (audit) on a space-available basis. Course fees still apply. Senior citizens may only be registered within the last week of open registration before the start of the semester. Registration must be completed by a faculty advisor. After registration, senior citizen students must submit a Senior Citizen Tuition Waiver form to the Student Records office and provide proof of eligibility to have the waiver applied to their account. Contact the Student Records Office at 525-8272 for details. See calendar on back for registration dates.
SECTION SWAP & DROP

To switch sections of a course during the Section Swap & Drop period, a student must email his/her division dean (see below) using his/her TCL email account to make the schedule change. The student is responsible for any tuition and/or fees associated with the schedule change. Please note that only sections of the same course can be changed (i.e. ENG 101-01 for ENG 101-03).

- Arts & Sciences: gtremble@tcl.edu | Business & Industrial: kflick@tcl.edu | Health Sciences: glevicki@tcl.edu

DROPPING/WITHDRAWING FROM A CLASS

Dropping or withdrawing from a course will affect your progress toward your educational goal. Also, there are financial implications for dropping or withdrawing from a course. It is suggested that you:

- Talk with your instructor who may be able to provide you with some suggestions that would make it possible for you to continue in the class.
- If you receive Financial Aid you should speak with the Financial Aid office to determine the impact of dropping or withdrawing on your aid.

Dropping - You can DROP a course during the “Section Swap & Drop” period each term (see calendar). When you drop a course, the course will not show up on your official transcript.

- If you drop during the refund period, you will receive a tuition refund of either 100% or 50% based on the date that you drop the course. **However, if you drop a course you must still pay all fees for the course even if you drop during the refund period.** (See refund schedule below.) Your financial aid may also be adjusted each time you drop a course.

Withdraw - You can WITHDRAW from a course after the “Section Swap & Drop” period and prior to the final exam period. Withdrawing will result in a grade on your transcript of “W” or a “WP” if you are passing the course at the time of withdrawal or a grade of “WF” if you are failing the course on the last date you attended class. A “WF” is computed in your GPA the same as an “F.”

- If you withdraw during the refund period, you will receive a tuition refund of either 100% or 50% based on the date that you withdraw. **However, if you withdraw from a course you must still pay all fees for the course regardless of when you withdraw.** Withdrawing will also affect your financial aid.

To drop or withdraw from a course, send your instructor an e-mail from your TCL student e-mail account requesting to be dropped or withdrawn from the course. Print and save a copy of the e-mail. Students should contact Financial Aid before dropping or withdrawing from a course to determine any impact on their aid.

**Refund for terms that vary in length from the regular semester will be prorated and assessed according to the refund schedule provided in this course schedule. All dates are subject to change.
All students are required to meet with an Academic Advisor to plan an appropriate course schedule. Advisement ensures you get and stay on the right track.

ACADEMIC ADVISING

Every student is assigned an academic advisor based on the program of study you have declared. You can obtain contact information for your academic advisor from your WebAdvisor account – Navigate to the “My Profile” link in the Academic Profile section.

Get Ready for Advising
It’s best to contact your academic advisor for an advisement appointment about a month before registration starts. To prepare for your advising session:

• Review your Program Evaluation – the Program Evaluation is a tool designed to help you and your advisor create a course schedule and track your progress toward program completion. Your Program Evaluation identifies which courses you have already completed and which courses still need to be completed. Complete instructions for using your Program Evaluation are located on the WebAdvisor login page.
• Preview what courses are being offered in the next semester – use the Online Course Search tool to see which courses are being offered. Review days, times and format (online, in-person or a combination of both) of courses to be offered.
•

Steps to Printing Your Program Evaluation
1. Log in to WebAdvisor with your User ID and Password.
2. Click on the “Students” box.
3. Click on “Program Evaluation” under the Academic Profile section on the bottom right of the screen.
4. Choose your active academic program. Click the “submit” button at the bottom of the screen. The program evaluation will appear on your screen.
5. Print your Program Evaluation and take it with you to advisement.

Schedule Planning Tip
When planning your schedule, remember that all courses are not offered every semester. Review the Course Frequency List at www.tcl.edu/frequency to see those courses offered on a rotating basis throughout the academic year. As you plan your schedule, make sure that you take into account the next scheduled time a course needed for your program of study will be offered.

COURSE SEARCH

Looking for a list of courses being offered? Use TCL’s Online Course Search tool.
Here’s how:

STEP 1: Go to www.tcl.edu/course-search and click on the link that says “course search.”
STEP 2: A new web page will open through WebAdvisor (no need to login).
STEP 3: From the “Term” dropdown menu, choose the semester you’re interested in.
STEP 4: Scroll down, and click “Submit.”
STEP 5: A list of the courses offered will be displayed along with all of the details for each course.

If you want to pull a more specific list of courses, use the additional search fields on the main page.

WHAT’S THE BUZZ?

Advisement! Student Advisement has been chosen as TCL’s topic for the Quality Enhancement Plan (QEP), which will allow TCL to focus on assessing and improving the process. What’s your part? Remember to be advised! Learn more at www.tcl.edu/beadvised.
TCL uses WebAdvisor’s Smart Registration, which allows you to register for courses based on the requirements for your selected major. Smart Registration helps prevent you from registering for a course that will not be paid for by Financial Aid.

Smart Registration Instructions

LET’S GET STARTED
Smart Registration is accessed through WebAdvisor. If you have already set up your WebAdvisor account, proceed to the instructions below for Smart Registration. If you need help setting up your WebAdvisor account, please see the instructions on page 5.

Smart Registration Instructions

STEP 1: Log into WebAdvisor and select the “Students” Link

STEP 2: Under the Heading “Academic Profile”, select “Program Evaluation”

STEP 3: From the Program Evaluation page, choose your Active Program, then in the field labeled What work do you want to include?, select “All (includes planned), click Submit

STEP 4: An Academic Evaluation will be displayed. This will tell the system which courses are required to complete the selected program. Scroll down to the bottom of the page and click OK (Hint – Printing a copy of the Academic Evaluation will help you in Step 7)

STEP 5: Under the Heading “Registration”, click on “Register for Sections” and then choose “Smart Registration”

STEP 6: On the Program Confirmation Page, confirm that the program shown is your program by selecting “Yes” and then click Submit

STEP 7: Select a Requirement, click Submit, then select a Sub Requirement, click Submit. A list of courses to satisfy the requirement will appear - courses that you have previously taken will NOT appear on this list – to select a previously taken course, Check the Box “Show Courses Already Taken.” (Note – if the requirement you selected does not have a Sub Requirement, you will be taken to the next screen)

STEP 8: Choose one or more courses shown, select the desired term from the drop down box, then click Submit

STEP 9: Choose one section from the list of available sections of the course for which you would like to register, click Submit

STEP 10: Find the section into which you want to register and select “Register” in the drop down box, click Submit

STEP 11: View the registration results, click OK

STEP 12: The Program confirmation screen will be displayed. If you wish to register for additional courses, select “Yes” then Submit – then repeat steps 7 - 11

Note – Since Smart Registration limits you to registering only for courses in your major, if you are not in the correct major, you must change your major prior to registering. Contact your Advisor for assistance in changing your major. Students who wish to pay out-of-pocket for a course that is not included in their program of study should contact one of the following for assistance: Beaufort campus, Debby McClellan, Student Records Office, 843.525.8210; New River campus Student Services Office, 843.470.6002; Hampton campus, Joan Brown, 803.943.4262.

www.tcl.edu/tutoring  |  843.525.8221
TCL offers a variety of free academic success services including one-on-one tutoring in math, writing, reading, biology, computer, Spanish, and accounting, as well as group sessions in Read Right, a reading comprehension learning program. Visit www.tcl.edu/tutoring to view walk-in hours and tutors’ schedules, or to make an appointment.

In addition to on-campus assistance, the Tutoring Center offers a variety of online options, including the ability to meet with a TCL tutor online via Adobe Connect. Smarthinking, a 24/7 online tutoring service, is accessible through Blackboard. For information and access instructions, see http://libguides.tcl.edu/smarthinking.

SCHOLARSHIP & OTHER FINANCIAL ASSISTANCE
TCL Scholarships
All students admitted to TCL and meeting scholarship requirements including completion of a valid FAFSA, verifiable unmet costs associated with tuition fees and books, enrollment in at least six credit hours and a minimum GPA of 2.5, are considered for the scholarship for which they might qualify. No additional application or materials are required. For more information please contact the Financial Aid office at 843.470.5961.

For a list of external scholarships for which you might apply go to http://www.tcl.edu/foundation/scholarships

TCL Guarantors Program
TCL Guarantors Program helps deserving students who are faced with financial challenges to stay in school. It supports the traditional college student as well as the older student who is coming to TCL to learn a new skill and develop a new career. Guarantor funds may support tuition, books and fees as well as other expenses and financial hardships that impact a student’s capacity to stay in school and succeed in his or her program of study.

For more information and application instructions go to http://www.tcl.edu/foundation/scholarships
TCL wants you to succeed as a college student, which is why we offer a number of services and activities to supplement the College’s academic programs.

**STUDENT SUPPORT SERVICES**
www.tcl.edu/sss | 843.525.8328
BEAUFORT, BUILDING 2, ROOM 250
The Student Support Services (SSS) Office, a federally funded program, is responsible for assisting eligible students in reaching their academic and career goals at TCL. The program offers academic, educational and career services to students through tutoring, cultural and social enrichment activities, academic, personal and career counseling, transfer advising, and other services.

**DISABILITY SERVICES**
www.tcl.edu/disability | 843.525.8219
BEAUFORT, BUILDING 2, ROOM 227
Any enrolled TCL student who has a documented disability that has an impact upon the educational environment is eligible for services from Student Disability Services. Contact us today!

**COUNSELING**
www.tcl.edu/counseling | 843.525.8288
BEAUFORT, BLDG 1, RM 204 | NEW RIVER, RM 213
TCL offers individual and group counseling to help enrolled students with stress management, depression, test anxiety, and other personal concerns. Counseling services are always free and confidential. Referrals are available for more serious needs. Sessions are made by appointment only.

**NEW HORIZONS CHILDCARE ASSISTANCE**
843.525.8354
The New Horizon’s Childcare Assistance Program is a federal grant provided through TCL to reimburse students a portion of their licensed in-home or childcare center costs while classes are in session. Students must be enrolled half-time and cannot be enrolled in either the Associate of Arts or Associate of Science degrees. For application information, please visit www.tcl.edu/horizons or email the Financial Aid office at financialaid@tcl.edu.

**TCL HELP DESK**
helpdesk@tcl.edu | 843.525.8344
Need help logging in or using your WebAdvisor or TCL Student Email account? Get assistance by contacting the TCL Help Desk at 843-525-8344 or helpdesk@tcl.edu.

**CAMPUS LIFE, STUDENT ACTIVITIES & ORGANIZATIONS**
www.tcl.edu/activities | 843.525.8219
At TCL, learning happens in and out of the classroom! College is more than just the books you read and the classes you take. It’s also about building social networks, honing your leadership skills and providing an enriched learning environment. There are numerous ways to get involved on campus including various student organizations such as Student Government, Phi Theta Kappa, Rotaract and more. Plus something fun is always going on from yoga to zumba to other FREE activities.

**CAREER AND TRANSFER SERVICES**
www.tcl.edu/career | 843.525.8224
BEAUFORT, BUILDING 1, ROOM 202
The TCL Career Placement office can assist you with resume writing, cover letters, and interview techniques. Make an appointment today! The Career and Transfer Services department also offers transfer services to assist students who plan to transfer to a four-year college or university after graduation.

**PALMETTO BREEZE TRANSPORTATION PROGRAM**
www.tcl.edu/breeze | 843.525.8229
For some it’s the high cost of fuel; for others it’s being without transportation. The Palmetto Breeze transportation program is ideal for students needing to get to and from their classes at TCL. Pell eligible students will receive a set number of tickets that will enable them to ride the Palmetto Breeze transit buses based on routes that are already established at no cost whatsoever. Tickets are distributed on a first-come, first-serve basis.

**DUAL ENROLLMENT/EARLY COLLEGE CREDIT OPPORTUNITIES PROGRAM**
www.tcl.edu/ecco | 843.470.8405
Qualified high school students in Beaufort, Colleton, Hampton, and Jasper counties may receive college credit for high school classes. This program provides classes to high school students in the four counties served by TCL whether attending a public, private, or home education school. Visit our website or contact our staff today to see if you qualify!
