## 2017-2018 ID Statement

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that, before awarding Federal Student Aid, Technical College of the Lowcountry Financial Aid Staff may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and, in some instances if applicable, a parent or spouse whose information was reported on the FAFSA must also complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to our office. We may ask for additional information. If you have questions about verification, contact us as soon as possible to avoid delays. **This form may only be submitted in person, unless signed in the presence of a notary and has been notarized as such. In this case, the document may only be submitted via mail. This may not be emailed, scanned, or accepted in any other electronic format.**
