Student Contributions
This course is part of a program that is designed to prepare students for careers in hospitality and tourism fields. The following outlines the college’s minimum expectations from students enrolled in this course.
➢ Class Attendance

The College’s Statement of Policy (Number 3-1-307) titled, CLASS ATTENDANCE (WITHDRAWAL) states,

“Students are expected to be in class on time and attend a minimum of 90% of the total class hours or laboratory periods for each course to be eligible to receive a passing grade. Students are responsible for making up the work missed during any absence.”

❖ This policy is on file in the Academic Affairs Division Office, the Learning Resources Center, and online at https://www.tcl.edu/wp-content/uploads/2012/09/3-1-307-Attendance.pdf.

❖ Students shall plan to attend every class. A student that exceeds one (1) absence during the entire semester impacts his/her chances for success and is in violation of this attendance policy.

Late for Class: Students will be considered late if they report to class more than 30 minutes after the scheduled start time. Being late three (3) times will constitute one (1) absence. Late students may attend the class, but they will not be recorded as present and will not receive a daily participation grade.

National standards require that lecture courses provide 45 hours of classroom instruction and 90 hours of out-of-class student work. Students are expected to spend at least 10 hours per week studying the textbook, completing assignments, and independently preparing for class using the college’s library resources, researching on the internet, and interacting with experts in the hospitality field to be successful.
