**2021-22 NSLDS LOAN DISABILITY DISCHARGE CONFIRMATION CHECK**

Records indicate we need to confirm your status regarding discharge of a Title IV Loan or TEACH Grant for disability and your eligibility for financial aid. Please review the information below and confirm your status.

\_\_\_\_\_ You are currently in the process of applying for a Total and Permanent Disability (TPD) discharge and have not received a decision. Please visit the TCL Financial Aid Office.

\_\_\_\_\_ You have received a TPD discharge, you must meet additional eligibility requirements to receive further federal student aid. Depending on when you received a TPD discharge, receiving additional federal student aid may affect your ability to keep your discharge.

\_\_\_\_\_ The National Student Loan Data System (NSLDS) indicates that one or more of your federal student loans have been discharged based on a determination by the Department of Veterans Affairs that you are unemployable due to a service connected disability. You wish to reverse this and regain eligibility by providing:

- 1) a statement from a physician certifying that you are able to engage in substantial gainful activity and
- 2) a statement, signed by the student, acknowledging that the new Title IV loan cannot be discharged in the future on the basis of any impairment present when the new loan is made, unless that impairment substantially deteriorates so that the student is once again totally and permanently disabled
