In order to satisfy the accountability requirements set forth in the 1976 Code of Laws of South Carolina, as amended, the Technical College of the Lowcountry will conduct an annual evaluation of all associate degree, diploma, and certificate programs offered at the College. Evaluations shall be conducted according to the prescribed criteria published by the State Technical College System. The results of the evaluation are to be reported to the TCL Commission and Senior Manager for Curriculum and Instruction at the State Technical College System.

It is the policy of the Technical College of the Lowcountry that Commission approval is required for the initiation, suspension or cancellation of any instructional certificate, diploma, or degree program.
