

TECHNICAL COLLEGE OF THE LOWCOUNTRY

Course title and number	PTH 202 – Physical Therapy Modalities
Credit hours	4
Semester/Year	Summer 2020
Course Catalog description	This course introduces patient care techniques, including patient preparation, therapeutic hot/cold modalities and electrical stimulation.
Course pre-requisites	BIO 210, MAT 120, PSY 201, ENG 101, PTH 101, PTH 235
Course co-requisites	PTH 242, PTH 270, BIO 211, ENG 102
Department	Health Sciences
Instructors	Lecture: Joey Swearingen, PT, DPT, ATC Lab Adjunct: Kevin Green, PTA
Clock hours (lecture/lab)	Lecture: 3 Lab: 3
Lecture Schedule	<u>Day(s)/Time</u> : Tuesday/Thursday 8:00 – 10:00 am <u>Location</u> : Online
Lab Schedule	<u>Days(s)/Time</u> : Tuesday/Thursday 10:00am – 12:00pm <u>Location</u> : Lecture – Online; Lab - 4/122

*Times/dates may change as needed to accommodate Holidays or other events

Required textbook(s)

Cameron, M., (2018). *Physical Agents in Rehabilitation: From Research to Practice (5th Edition)*. St. Louis, MO: Elsevier. ISBN: 978-0-323-44567-2

O’Sullivan, S., Schmitz, T., Fulk, G. (2014). *Physical Rehabilitation* 6th edition. Philadelphia, PA: F.A. Davis. ISBN: 978-0803-6257-92

Recommended book(s)

INTRODUCTION

The syllabus is an outline of the course material, does not constitute a contract, and is subject to change with adequate notice.

User responsibility on use and duplication of computer software (TCL Procedure 7-1-702.5):

Students are responsible for the legal use of computer software and applicable copyright laws and are prohibited from copying software on College computers and from installing personal software.

ADA Statement:

The Technical College of the Lowcountry provides access, equal opportunity, and reasonable accommodation in its services, programs, activities, education, and employment for individuals with disabilities. To request disability accommodation, contact the counselor for students with disabilities at (843) 525-8228 during **the first ten business days of the academic term**

COURSE OBJECTIVES/LEARNING OUTCOMES

By the end of PTH 202, students will:

1. Consistently exhibit professional/responsible behaviors as evidenced by adherence to the college attendance policy, and demonstrating punctuality at all times.*
2. Consistently exhibit professional/responsible behavior as evidenced by adherence to the policies and procedures of the college, health sciences division, and physical therapist assistant program.*
3. Consistently exhibit professional/responsible behavior as evidenced by timely assignment completion, and meeting of physical therapist assistant program deadlines.*
4. Consistently exhibit professional/responsible behavior as evidenced by adhering to the physical therapist assistant program dress code.*
5. Satisfactorily exhibit professional/responsible behaviors as evidenced by a mid-term evaluation and final evaluation. *
6. Consider social, emotional, cultural, psychological, environmental, spiritual and economic influences of the patient, adapting approach accordingly.
7. Utilize evidence in the choice of and delivery of interventions. (7D11). *†
8. Integrate appropriate evidence-based resources into class assignments (7D11). *†
9. Describe, categorize, compare and explain the roles of the types of physical agents used in rehabilitation.
10. Identify the physical properties of, and the physiological responses to physical agents.
11. Explain the indications, contraindication and precautions for the use of therapeutic agents with respect to different patient management situations.*
12. Demonstrate the ability to make adjustments to interventions, including stopping treatment, and asking for clarification before beginning, based on plan of care knowing when to communicate with supervising Physical Therapist. (7D21) *†
13. Effectively educate fellow students about assigned topics in modality intervention. (7D12)*†
14. Select standard tests to measure swelling. (7D24b)†
15. Select standard tests to measure muscle strength. (7D24h)†
16. Select standard tests to measure wounds.(7D24f)†
17. Select standard tests to skin integrity. (7D24f)†
18. Select standard tests to measure pain. (7D24j)†
19. Select standard tests to measure range of motion. (7D24i)*†
20. Demonstrate safe and effective application of appropriate modalities or intervention strategies to treat wounds and facilitate tissue healing. (7D23c).*†

21. Demonstrate safe and effective application of appropriate modalities or intervention strategies to treat/reduce edema. (7D23c).*†
22. Demonstrate safe and effective application of appropriate modalities or intervention strategies to treat/reduce pain. (7D23c).*†
23. Demonstrate safe and effective application of appropriate modalities or intervention strategies to treat/reduce motion restrictions. (7D23c).*†
24. Demonstrate safe and effective application of appropriate modalities or intervention strategies to treat/reduce muscle weakness. (7D23c).*†
25. Demonstrate safe and effective application of appropriate modalities or intervention strategies to alter muscle tone. (7D23c) *†
25. Demonstrate safe and effective application of thermal agents. (7D23c) *†
26. Demonstrate safe and effective application of electrotherapy agents. (7D23c) *†
27. Demonstrate safe and effective application of electromagnetic agents. (7D23c) *†
28. Demonstrate safe and effective application of mechanical agents. (7D23c) *†
26. Identify pathology and patient problems related to inflammation and tissue repair.*
27. Differentiate and explain bandage types and usage. (7D23i) †
28. Demonstrate competence in application and removal of basic dressing or agents, and identification of precautions for dressing removal. (D723i)*†
29. Understand the role of documentation and billing for physical agents. (7D25) †
30. Student will complete accurate documentation that follows guidelines and specific documentation formats required by state practice acts, the practice setting, and other regulatory agencies. (7D25)*†

*denotes crucial objective

†CAPTE curriculum element

COURSE TOPIC OUTLINE

1. Introduction to Physical Agents
2. Pathology and Patient Problems: Pain and Pain Management
Pathology and Patient Problems: Inflammation and Tissue Repair
Pathology and Patient Problems: Tone Abnormalities
Pathology and Patient Problems: Motion Restrictions
3. Thermal Agents
4. Electrotherapy Agents
5. Electromagnetic Agents
6. Mechanical Agents

COURSE REQUIREMENTS

CLASSROOM REQUIREMENTS

Technical requirements include, but are not limited to:

- PC or Mac computer access
- Internet access with a 56K modem (but it is highly recommended that you have DSL or High-Speed Cable Internet Access)
- 64 MB system RAM; 200 MB free hard-disk space or enough storage
- Reliable e-mail account access and Internet provider
- CD-ROM/DVD capabilities
- Scanning capabilities
- Microsoft Office – Free download by accessing Office 365 link in your TCL email account.
- Webcam and microphone
- The ability to install the Honorlock extension on Google Chrome

For this course to run properly, the student is **expected to be prepared for each class**, including but not limited to: completing assignments, participation in lecture and lab activities, and participation in service learning

COURSE POLICIES AND PROCEDURES

TEACHING METHODS AND LEARNING EXPERIENCES

Course objectives will be met through lecture, peer instruction, case studies, cooperative learning, and discussion utilizing various media to maximize the clinical relevance of the material presented.

ASSIGNMENT COMPLETION

Students are expected to complete all course assignments and activities that are assigned. Students who fail to complete course assignments and activities will be put on a learning contract as an effort to remediate this behavior. Students that fail to fulfill the terms of the learning contract will be withdrawn from the Physical Therapist Assistant program. If students do not complete all assigned activities by the end of the course, the student will be given an incomplete for the class. Students with an incomplete may not progress in the program and will be withdrawn from the PTA program.

Each student will be expected to access any online portion of the class at least once a week and complete weekly assignments on time. Additional access is encouraged and may be necessary for announcements and successful completion of the class.

Each student is required to actively participate in laboratory sessions by practicing the application of entry-level clinical skills and techniques on fellow classmates. Appropriate and professional behavior is always expected at from students.

PROFESSIONAL BEHAVIORS/RESPONSIBILITIES

These behaviors include, but **are not limited to**, the following:

- Punctuality as evidenced by adherence to the college attendance policy.
- Attendance as evidenced by adherence to the college attendance policy.
- Effective use of class and lab time as evidenced by student seeking out independent learning experiences and completing pre-class assignments.
- Timely assignment completion as evidenced by turning in assignments on or before their due dates.
- Meeting program deadlines as evidenced by adherence to the Health Sciences Division and Physical Therapist Assistant handbook.
- Demonstration of the ability to be a cooperative and contributing member of the class as evidenced by courteous and respectful behavior
- Demonstrating the ability to be flexible when encountering unexpected situations
- Complying with rules of the classroom, lab and building as evidenced by the adherence to the policies and procedures of the College, Health Sciences Division and Physical Therapist Assistant Program

TESTING PROCEDURES

Testing procedure include but are not limited to taking tests at the TCL testing center. Students will observe the following Testing Center Rules & Regulations which can be found at:

<https://www.tcl.edu/admissions/placement-testing/>

Your instructor may elect to have some of your tests proctored using Honorlock. Please see technical requirements section below.

In class exam procedures include (but are not limited to) the instructions in the PTA student handbook. Individual instructors and/or proctors may add additional testing instruction to any exam procedures*

During examinations, students must remove watches and hats and place in the front of the classroom, along with all personal belongings and electronic devices.

There is a **ten-point penalty on the examination for any noise emitting** from an electronic device.

For electronic tests, the correct answer to test questions are available for review within a week after the test is complete via the electronic testing system.

For paper tests, correct answers will be given in class. Class time is not taken discussing individual questions. Students can make an appointment with the instructor to review their test and ask questions.

Honorlock Online Proctoring and Technology Requirements (if required):

TCL uses an online test proctoring service called Honorlock to monitor some online tests as an alternative to in-person proctoring. Your instructor may elect to have some of your tests proctored using Honorlock. If so, you will need to make sure that you have access to the necessary equipment in order to take your online-proctored tests:

- A computer with access to a high-speed Internet connection
- A webcam and microphone. A functioning webcam and microphone are required to complete proctored online tests
- Microsoft Office - can be downloaded for free by accessing the Office 365 link in your TCL email
- The ability to install the Honorlock extension on Google Chrome.

*During paper examinations, only answers transferred and completed on Scantron sheets will be graded electronically to count towards the test score.

COMMUNICATION

The Technical College of the Lowcountry provides access to email for all students, faculty and staff. Email is an official method of communication at the Technical College of the Lowcountry. **Students are held strictly responsible for the consequences of not reading or responding to College related communications** sent via their official Technical College of the Lowcountry email address, or other contact information on file with the college.

Students have 3 business days to respond to college and program related communication which includes, but is not limited to: e-mail, phone calls, and written communication.

When using email as an official means of communication, **students should apply the same professionalism, discretion, and standards that they would use in written business communication.** Students should not communicate anything via email that they would not be prepared to say publicly.

Students can contact faculty and staff through TCL e-mail and TCL related phone numbers only. In certain instances, student may be required to contact TCL faculty as instructed via a mobile application. Students in the Physical Therapist Assistant program at the Technical College of the Lowcountry will utilize their Technical College of the Lowcountry email accounts for all communication with faculty and staff.

ATTENDANCE

The Physical Therapist Assistant program adheres to the attendance policy set forth by the College. The current attendance policy link can be found at: <https://www.tcl.edu/catalog-search/>

- Go to the most recent online catalog
- Go to the student handbook link

The Physical Therapist Assistant program adheres to the clinical attendance policy set forth in the Health Sciences Division handbook. The current Health Science Division Handbook can be accessed from: <https://www.tcl.edu/programs/physical-therapist-assistant-associate-of-applied-science/>

- Go to the resources link to find the Health Science Division Handbook

The attendance policy includes the College attendance policy, the Health Sciences Division attendance policy, and includes, but is not limited to the following:

- Arrival to class, clinical, and lab by the published time is an expectation for all students.
- Class, clinical, and lab times are measured by the clock in these teaching areas.
- Arrival to class after the scheduled start time or leaving class prior to dismissal counts as a tardy.
- Three tardies and/or early departures are considered as one absence unless stated otherwise.
- Instructor must **be notified prior to start of class by call, text or email if the student is going to be late or absent.**

It is the student's responsibility to sign the roll sheet (if used) or verify attendance with instructor upon entering the classroom.

- Failure to sign the roll/verify attendance results in a recorded absence.
- The **student is responsible** for all material/ announcements presented, whether present or absent.

The College's statement of policy indicates that students must attend **ninety percent of total class hours or they will be in violation of the attendance policy.**

Students not physically attending class during the first ten calendar days from the start of the semester must be dropped from the class for NOT ATTENDING

Students taking an online/internet class must sign in **and** communicate with the instructor within the first ten calendar days from the start of the semester to indicate attendance in the class. Students not attending class during the first ten calendar days from the start of the semester to indicate attendance in the class. Students not attending class must be dropped from the class for NOT ATTENDING.

- REINSTATEMENT requires the signature of the Division Dean.

In the event it becomes necessary for a student to withdraw from the course **OR** if a student stops attending class, **it is the student's responsibility to initiate and complete the necessary paperwork.**

- Withdrawing from class may have consequences associated with financial aid and time to completion. Students are strongly encouraged to consult with Financial Aid prior to withdrawing from any class, particularly if the student is currently on a warning or probation status.

When a student exceeds the allowed absences, the student is in violation of the attendance policy. The instructor **MUST** withdraw the student with a grade of "W", "WP", or "WF" depending on the date the student exceeded the allowed absences and the student's progress up to the last date of attendance

OR

Under extenuating circumstances and at the discretion of the faculty member teaching the class, allow the student to continue in the class and make-up the work. This exception must be documented at the time the allowed absences are exceeded.

Absences are counted from the first day of class. There are no "excused" absences. All absences are counted, regardless of the reason for the absence.

A student must take the final exam or be excused from the final exam in order to earn a non-withdrawal grade.

Students are expected to be in class **on time**. Arrival to class after the scheduled start time or leaving class prior to dismissal counts as a tardy. Three tardies and/or early departures are considered as one absence unless stated otherwise.

It is the student's responsibility to sign the roll/verify attendance with instructor upon entering the classroom. Failure to sign the roll/verify attendance results in a recorded absence. In the event of tardiness, it is the student's responsibility to ensure that attendance is marked. **The student is responsible** for all material/ announcements presented, whether present or absent.

Continuity of classroom and laboratory (which includes clinical experiences) is essential to the student's progress in providing safe and competent patient care. Students are expected to use appropriate judgment for

participating in clinical activities. To evaluate the student's knowledge and skills, it is necessary for the student to be present for all clinical experiences.

If absence does occur, the designated clinical site, in addition to the Division of Health Sciences Administrative Assistant, must be notified by telephone no later than 30 minutes prior to the start of the clinical experience. The Division of Health Sciences telephone number is **843-525-8267**.

Absences from the clinical area are strongly discouraged. The attendance policy applies to clinical activities. **"No Call / No show"** for clinical is unprofessional conduct and the student will be withdrawn from the program with a WF.

Please refer to the Division Handbook for clarification of the No Call/No Show process

A copy of TCL's STATEMENT OF POLICY NUMBER: 3-1-307 CLASS ATTENDANCE (WITHDRAWAL) is on file in the Division Office and in the Learning Resources Center.

HAZARDOUS WEATHER

In the event of hazardous weather conditions, local radio and television stations will announce information concerning the cancellation of classes.

- Please tune to The River, 98.7 FM, for announcements of college closing due to hazardous weather.
- Tracking of any hazardous weather may also be found on the website at www.tcl.edu.
- With TCL's Text Alerts you can receive immediate notification of emergency events via text messaging on your cell phone. All students are strongly encouraged to register their cell phones with this service. Signing up is easy, just fill out the simple form on the TCL website (www.tcl.edu/text-alert).

ACADEMIC MISCONDUCT

All forms of academic misconduct including, but not limited to, cheating on tests, plagiarism, collusion, and falsification of information may call for disciplinary action.

The College adheres to the Student Code for the South Carolina Technical College System. Copies of the Student Code and Grievance Procedure can be found in the TCL Student Handbook, the Division Office, and the Learning Resources Center.

There is no tolerance at TCL for academic dishonesty and misconduct. It is the student's responsibility to address any questions regarding what might constitute academic misconduct to the course instructor for further clarification.

Examples include, but are not limited to:

- Viewing another student's computer screen during a quiz or examinations.
- Talking or communicating with another student during a test.
- Violating procedures prescribed by the instructor to protect the integrity of a quiz, test, or assignment
- Plagiarism in any form, including, but not limited to: copying/pasting from a website, textbook, previously submitted student work, or any instructor-prepared class material; obvious violation of any copyright-protected materials.

- Knowingly aiding a person involved in academic misconduct.
- Providing false information to staff and/or faculty.
- Entering an office unaccompanied by faculty or staff.
- Misuse of electronic devices.

APPROPRIATE USE OF ELECTRONIC DEVICES

TCL recognizes the importance of providing the best learning environment for its students.

To eliminate class disruptions and protect the integrity of the classroom and instruction, **the use of electronic devices such as cellular phones, pagers, smart watches and other electronic devices is not permitted in classrooms/labs, the Learning Resources Center, computer laboratories, testing centers, and other instructional locations at TCL.**

The student will receive a **grade reduction per violation** of this policy after the **first** warning.

Students **are not allowed** to have their **cellular phones, pagers, smart watches, and other electronic devices** at their clinical rotations unless otherwise directed by their clinical instructor. Violation of the rules/requirements listed above **will be reason for dismissal from the Physical Therapist Assistant program.**

DRESS CODE

Dress code requirements (general, classroom, clinical and laboratory) are listed in the **Physical Therapist Assistant Handbook Section II**. A student in violation of the dress code will result in dismissal for the classroom, lab or clinical setting and will count as an absence.

STUDENT RESPONSIBILITIES

Students are expected read the current version, and abide by the policies and procedures set forth by the following documents:

- TCL Student Handbook
- Health Sciences Division Handbook
- Physical Therapist Assistant Program Handbook
- Physical Therapist Assistant Clinical Education Manual

Students should make notes of any questions they may wish to ask. This will allow the students to have a better understanding of the expectations of the college, Health Sciences Division, and the PTA program.

INTELLECTUAL PROPERTY

All course materials including, but not limited to syllabi, handouts, skills criteria, and recordings of any kind are considered the property of the program faculty

No recordings are allowed of class lectures and/or labs

The student will not sell, post to the Internet, or in any other way disseminate course materials to anyone outside their cohort group

Unauthorized use, including dissemination of any course materials and information to others will be considered Academic Misconduct. Violations are subject to disciplinary action up to and including dismissal from the Physical Therapist Assistant Program.

LABORATORY REQUIREMENTS

Learning experiences in the physical therapy laboratory provide an opportunity for the student to become familiar with anatomical landmarks and palpation techniques. The student utilizes the physical therapy laboratory to practice new skills. Skills must be practiced in the laboratory before being used in the clinical setting. Each student is required to actively participate in laboratory sessions by practicing palpation on fellow classmates.

Clothing must allow access to various parts of the body during specified laboratory activities. See Dress Code in Student Physical Therapist Handbook Section II

In order to perform at a satisfactory level in the laboratory area, students must be prepared each lab session to do the following:

- Arrive on time and in proper attire
- Complete laboratory assignments on time and in the prescribed manner
- Perform physical therapy techniques safely and competently
- Accurately perform physical therapy skills and procedures learned in campus lab
- Correctly apply all previously mastered knowledge, skills, and abilities

The student's performance is evaluated based on environmental contribution, attendance, and preparedness. Expectations include:

Contributing to a productive learning environment for self and others by:

- being prepared for the lab activities by reading and watching assigned media if applicable
- answering questions and identifying steps or processes about skill
- demonstrating mastery of skills
- remaining attentive

Arriving and departing on time. **Attendance is expected for each scheduled laboratory experience.**

Competence must be demonstrated in the physical therapy laboratory. Students are responsible for material covered in campus laboratory. In order to progress in the course and program, by the end of the course each student **MUST** achieve a satisfactory skill criterion and demonstrate competence in laboratory skills. Competency skill checks and laboratory practical exams may be given to assist in the evaluation of individual student progress and to support student success.

In order to progress in the course and program, by the end of the course each student **MUST** achieve a satisfactory skill criterion and demonstrate competence in laboratory skills.

The student is responsible for maintaining their skill competency check lists and turning them into the instructor as required

COURSE STANDARDS, EVALUATION METHODS/CRITERIA

EVALUATION CATEGORIES	Number of Assignments	Percentage of Weighted Grade
Midterm Exam	1	15%
Final Exam (Cumulative)	1	20%
Midterm Practical Exam	1	15%
Final Practical Exam	1	20%
Quizzes	2-4	10%
Discussion Posts	4	10%
Research Summary/Presentation	1	10%
Lab Participation	all	S/U
Lab Skills Checks	Weekly	S/U
Professionalism	Throughout Semester	S/U
Total		100%

0% - 100% A	W	withdraw
82% - 89% B	WP	withdraw with passing grade
75% - 81% C	WF	withdraw with failing grade
70% - 74% D	I	Incomplete
Below 70% F		

Grading Methodology The final grade must be 75.00% or more in order to pass the course and progress in the program.

- Grades will not be rounded up.
- A final grade of less than 75.00% is not passing in any Health Science Program and does not meet progress requirements.
- Students absent from an examination or presentation **will receive a “0” grade for the examination** unless other arrangements are made with the individual instructor prior to the examination or presentation day.
 - Arrangements may be completed by telephone.
 - If the instructor is not available, a message should be left on the instructor’s voice mail AND with another member of the faculty or administrative assistant.
 - Messages sent by other students are unacceptable.
- The student **is responsible for notifying the instructor for the reason of the absence.**
- Make up quizzes and/or examinations **may be offered, at the instructor’s discretion**, during the final examination period.
- Additional options for makeup testing include reweighting the final examination. It is the **responsibility of the student** to contact the appropriate instructor to arrange to make up the examination. The instructor will decide the method of examination.
- **Grades are posted within one week of administration of tests and examinations.**

- Students with concerns or questions regarding grades awarded for a graded activity should contact the course faculty **within one week of the grade being posted.**
- Assignment completion: **student must complete 100% of assignments to pass the course.**
- It is the student's responsibility to turn in assignments by the scheduled due date to earn full credit for the assignment. **Late assignments will incur a grade reduction of (10%) for each day late.**
- A learning contract may be established for any behaviors that are unsatisfactory or require remediation after ONE written warning. The student must adhere to the requirements of the learning contract. Failure to do so may result in dismissal from the PTA program.
- At the conclusion of each laboratory experience, the student's lab performance is evaluated as being satisfactory or unsatisfactory. The student must achieve satisfactory performance in 75% of labs to pass the class and progress in the program.
- The student's performance is evaluated based on environmental contribution, attendance, and preparedness. Performance expectations include:
 - Arriving on time and in proper attire;
 - Completing laboratory assignments on time and in the prescribed manner;
 - Performing **physical therapy techniques safely and competently**;
 - **Accurately perform physical therapy skills and procedures** learned in campus lab;
 - **Correctly applying** all previously mastered knowledge, skills, and abilities.
 - Contributing to a **productive learning environment** for self and others by:
 - Being prepared for the lab activities by reading and watching assigned media if applicable.
 - Answering questions and identifying steps or processes about skill
 - Remaining attentive.

Skills Checks and Practical Exam Grading Policies

Each student **must demonstrate safety and competence** in required laboratory skills.

- Students are responsible for ensuring that laboratory skills are checked off by the instructor.
- Students will be given **two opportunities** to pass each skill check.
- The Laboratory Skills Achievement List for this course will be found posted on Black Board.
- All laboratory practicals must be passed with a minimum score of 75% in order to pass the course.
- Should the student fail the practical exam, they will be given **one opportunity to retake the exam.** The highest possible score on retaking the exam is 75%.
- Noncompliance with a critical safety criterion and inability to demonstrate competence in the tested skills will result in an automatic failure on skills checks and practical exams.

CLASS INFORMATION

COURSE COORDINATOR: Dr. Joey Swearingen PT, DPT, ATC

OFFICE LOCATION: 4/113

PHONE NUMBER: 843-525-8230 (Office), (912) 509-0848 (Out of Office)

E-MAIL: jswearingen@tcl.edu

OFFICE HOURS: As posted, by appointment.

Students must check in with the Health Sciences Administrative Assistant before entering faculty offices.

Students can contact faculty through TCL e-mail and TCL phone numbers or designated app per instructor.

HEALTH SCIENCES OFFICE INFORMATION

ADMINISTRATIVE ASSISTANT: Mrs. LaQuetta Washington

LOCATION: 4/115

PHONE NUMBER: 843-525-8267

OFFICE HOURS: 8:00 am to 5:30 pm Monday-Thursday, 8:00 am -11:30 am Friday

ADMINISTRATIVE SUPPORT: Mrs. Becky Callahan

LOCATION: 4/110

PHONE NUMBER: 843-525-8378

OFFICE HOURS: 8:00 am to 5:30 pm Monday-Thursday, 8:00 am -11:30 am Friday

Faculty will respond to student inquiries within 3 business days

Technical College of the Lowcountry ▪ Division of Health Sciences ▪
Physical Therapist Assistant Program
Course Syllabus and /or Addendum Acknowledgement

Acknowledgement of PTH 202 Syllabus – Physical Therapy Modalities

Instructors Name: Dr. Joey Swearingen PT, DPT, ATC

I _____, understand it is my responsibility to read the **Summer 2020 Syllabus for PTH 202 – Physical Therapy Modalities**. Students should read the Syllabus and/or Addendums and make notes of any questions they may wish to ask. This will allow the students to have a

better understanding of the expectation of class, program, and its faculty. Students are always notified when updates have been made as they will be asked to sign additional Acknowledgement Sheets.

Students will be required to print a copy of the entire Syllabus and/or Addendum to be included in their clinical education notebook.

Students will be expected to sign this statement indicating they have read and understand the **PTH 202 – Physical Therapy Modalities** Syllabus and/or Addendum, and understand that they are responsible to abide by the policies and procedures set forth by the aforementioned documents.
