

Radiologic Technology

Be part of this rapidly growing and rewarding career field.

While working closely with physicians, radiographers use diagnostic imaging and computerized x-ray equipment to assist in diagnosing disease and injuries.

“I didn’t do this for myself, but to show my children and other people that if I can do it, they can too.”

MIKIE BERTHOLF
Graduate

ASSOCIATE DEGREE | 80 CREDIT HOURS | 6 SEMESTERS | FULL-TIME | BEAUFORT MATHER CAMPUS

COURSES

- Anatomy
- Radiographic Biology
- Radiographic Imaging, Procedures & Pathology
- Applied Radiography
- Computed Tomography
- And more.

CAREER OUTLOOK

- S.C. Average Annual Wage **\$57,450**
- National Average Annual Wage **\$66,490**

ACCREDITED BY

- Joint Review Committee on Education in Radiologic Technology (JRCERT).
- Southern Association of Colleges and Schools Commission on Colleges (SACS)

CAREER OPTIONS

With additional preparation and education, radiographers are offered advancement opportunities in areas such as mammography, computerized tomography, magnetic resonance, sonography, nuclear medicine, management, education or research.

100% Job Placement for last 5 years!
