CLICK TAB "The Library"

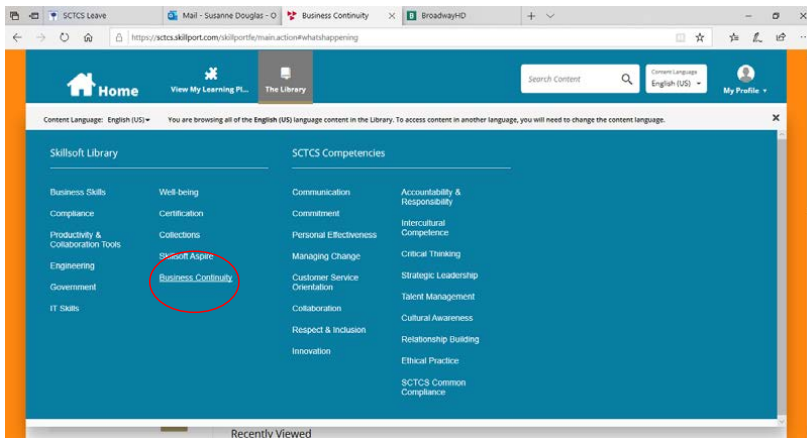

From here you may select numerous courses (books, videos, courses, resources, and books for topics such as Productivity & Collaboration Tools (Business Applications, Google, Microsoft Applications, Microsoft Office) and SCTCS Command Compliance Topics (others outside Mandatory Training compliance topics)

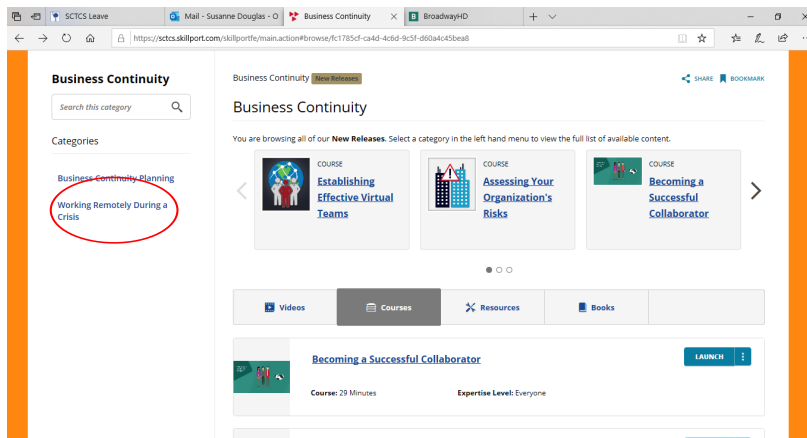

We are suggesting the following courses based on the business continuity during our current working situation

All courses listed below are found under "Business Continuity" / "Working Remotely During a Crisis":

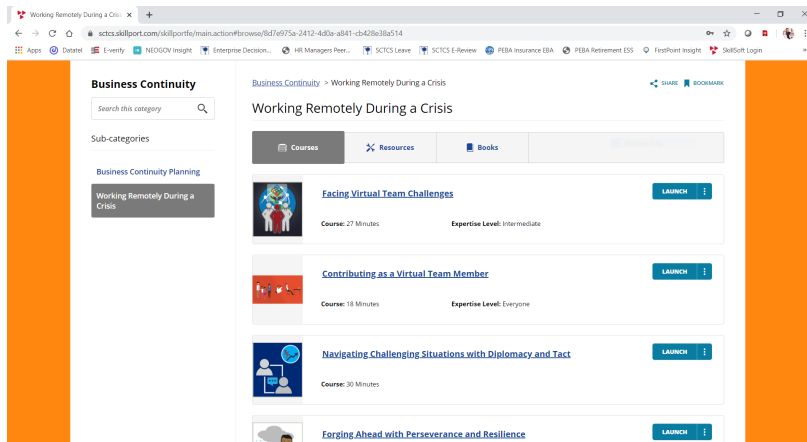

- \*
- \*
